Student Handbook
 2017-2018

This year Eagle Academy begins its 19th year as EHT High School's Alternative Program. Over the years we have helped hundreds of students achieve their goals. The building and class sizes are small, but there is no limit to what an individual student can accomplish. The staff will provide opportunity and encouragement to you. Even if you have not been successful so far in your high school life; plan on being successful here.

This handbook provides information designed for your success at Eagle Academy. By reading through the following pages you will be aware of the rights and responsibilities of each student.

Please refer to the EHT high school handbook for all the pupil code of conduct topics. This can be found on the High School's website.

Check out the Eagle Academy website including the teachers individual sites. On the website you will also find a school calendar that is updated frequently.

As you begin this new school year: dream big, get involved and work hard. You will find that the teachers and staff will be on your side, working with you to help you achieve your goals.
