

Greetings Parents & Caregivers

We are in that time of year when bad weather may affect school times. In the event a "Delayed Opening" is called, Eagle Academy's start time for students will be approximately 2 hours later. Instead of an 8:45 start time, the school day will begin two hours later. It will also end two hours later. Your bus time will be 2 hours later as well.

To recap: when a delayed opening is called, the Times for Eagle are: **10:45-3:15**

If you have any questions, please call the school office, 926-1235

Mr. Smith
