Welcome New and Returning Students, Parents, Guardians and Care-givers:

This September Eagle Academy begins its 21<sup>st</sup> year as EHT's alternative High School Program. Our staff is busy planning activities that will bring opportunities for each student to be successful. We are a unique alternative school with small class-sizes and a hands-on learning environment. In the upcoming school year, we will continue to move ahead with community service projects, work-place readiness training, social-emotional learning, Google classrooms and enrichment trips. We will partner with every student and family to create an atmosphere to help students transition to productive independence.
